Major General William Hall
Director of Intelligence
Office of Military Governor
APO 743, c/o Postmaster
New York, New York

Dear General Hall:

I wish to refer to your conversation of December 27 with
☐ regarding Dr. Gustav Hilger and to inform you that I would
appreciate it very much if you could arrange for this office to
receive regularly, on an informal and temporary basis through
Colonel Mead, from Operation RUSTY the following items:

1. Observations which the present head of the Political
Section (Dr. Hilger's successor) writes currently on
actual political regimes;
2. The most important and reliable reports on the situa-
tion in USSR and in the satellite states.

It would also be appreciated if, from time to time; Dr.
Hilger's successor would be authorized to provide, either on
his own initiative or at our request, special items which would
be valuable in connection with our task.

Sincerely,
